

Tearfund works in partnership to end poverty Across the globe, Tearfund work in partnership with locally-based agencies who understand the needs of their communities, and are in the best position to develop responses that are relevant and sustainable.

Every gift makes a real difference: for the giver, the receiver, and most of all, for the people represented in the story behind each item.

These gifts bring life: with Useful Gifts, you can give towards a better world for all.

For three decades, Tearfund's Useful Gifts have made real change possible for people facing the daily challenges of poverty and injustice in some of the world's hardest places.

Gifts that keep giving

Every gift shapes a more just and compassionate world, helping people access what they need to address local problems with sustainable solutions.

- A chicken or goat means an ongoing source of income.
- Access to **education** shapes leaders of tomorrow.
- Nutrition for children sets up stronger futures.
- Empowered women lead to flourishing communities.

Through Useful Gifts, you can further the work of our Christian partners in 19 countries around the world. Gifts shared in love become gifts that grow hope, harvest change and transform the world.

The Gift of Disability Inclusion

Poverty can compound challenges for people living with disabilities. Support from people around them can make a huge difference. This gift supports people living with disabilities, and their loved ones, to enjoy meaningful opportunities, restored relationships and avenues to contribute to community transformation.

The Gift of Disability Inclusion

People with disabilities are consistently over-represented in poverty. Tearfund's partners support people living with disabilities so they can enjoy meaningful opportunities, restored relationships and avenues to contribute to their communities.

"My visual impairment has not stopped me," says Victor. After he lost his sight 10 years ago, Victor connected with Tearfund's partner Sudan Evangelical Mission (SEM) and joined the farmers' and savings groups SEM facilitates in his village in South Sudan. SEM helped him to see that "disability is not inability", and supported him in learning to manage the tasks of daily living. Today he's an active farmer, and participates in the life of his community.

Pray with us

- Pray for the community of people SEM is working with, and for their families. Thank you that with care and support from SEM they can support individuals find their strengths, gain skills, and access opportunities they might otherwise not have had.
- Thank you for the tireless work of SEM staff and volunteers. Thank you that in the midst of the challenges and hard work there are stories of transformation, of lives changed.
- Pray for SEM staff and projects. Thank you for their passion for supporting and empowering people with disabilities and seeing them flourish.
