## What is a Useful Gift?

Every gift makes a real difference: for the giver, the receiver, and most of all, for the people represented in the story behind each item.

These gifts bring life: with Useful Gifts, you can give towards a better world for all.

For nearly three decades, Tearfund's Useful Gifts have made real change possible for people facing the daily challenge of poverty and injustice in some of the world's hardest places.

# Disability Access Useful Gift

Poverty can compound challenges for people living with disabilities. Support from people around them can make a huge difference.

This gift supports people living with disabilities, and their loved ones, to enjoy meaningful opportunities, restored relationships and avenues to contribute to community transformation.

# Disability Access Useful Gift

In Zimbabwe, Tearfund's partner Nzeve Deaf Centre provides holistic services for deaf and hearing-impaired children, youth and their families, and promotes their right to participate fully in society.

Angeline and Rosemary have learned sign language through training from Nzeve, enabling them to communicate with the deaf members of their households.

Nzeve also helps people like Angeline and Rosemary to better support family members with disability through access to a savings and loans group and business training, and by training and supporting them to promote inclusion of people with disabilities throughout the wider community.

# Pray with us

- Pray for the children and young people Nzeve is working with, and for their families. Thank you that with care and support from Nzeve they can find their strengths, gain skills, and access opportunities they might otherwise not have had.
- Thank you for the tireless work of Nzeve's staff and volunteers. Thank you that in the midst of the challenges and hard work there are stories of transformation, of lives changed.
- Pray for Selina and other staff as they plan Nzeve's projects, recruit staff and seek the funds they need for their work. Thank you for their passion for supporting and empowering people with disabilities and seeing them flourish.
